After 9-11, Stranger than Fiction started to have a new meaning... especially after Dr. Albert D. Pastore, (a penname for an independent researcher) meticulously pieced together ONLY mainstream media stories about the event. His goal was to deliver clues that would "lead to logical deduction" about the true culprits behind 9-11.

The resulting book, Stranger Than Fiction, sent shock waves across the internet. If any published work qualified for censorship, it was this one!

"Every news story about 9-11 that is contained in this book is true and easily verifiable," states Dr. Pastore.

"My investigation represents 12 months of careful study, painstaking research, detailed analysis, source verification and logical deduction. Only by sifting through huge amounts of news data on a daily basis was I able to catch many of these rare 'diamonds in the rough' and organize them into a coherent pattern and logical argument."

Stranger Than Fiction contains 300 detailed footnotes supporting the quoted media stories.

"As incredible and unthinkable as this may seem, what other conclusion is there that can so neatly tie up all of the 'loose ends' and mysteries related to 9-11?" states Dr. Pastore.

"This is the only scenario into which the many pieces of the 9-11 jigsaw puzzle snap snugly together to reveal a clear image. Compare this to the official story of 9-11, which requires us to force, bend, recreate, ignore, and manipulate puzzle pieces."

Dr. Pastore is not an activist, he claims. He is only a truth-seeker.

"Even in the face of this mountain of logic and evidence, there will be those weaklings who will go into denial and casually dismiss this whole case as just another silly... 'conspiracy theory.' But the funniest 'conspiracy theory' of all is that some Saudi caveman and his 'network' of Arab video game pilots managed to elude US investigators and pull off the most sophisticated intelligence operation in world history.

"You can continue to believe that fairy tale if it makes you sleep better at night (and if your sense of credulity can stand the burden!). Or, you can muster the moral and intellectual courage to... face the ugly truth."

"All truth passes through three stages. First, it
is ridiculed, second it is violently opposed, and third, it is accepted as self-evident."

Arthur Schopenhauer, Philosopher, 1788-1860

OPENING STATEMENT

The ancient Greek philosopher Socrates taught his students that the pursuit of truth can only begin once they start to question and analyze every belief that they ever held dear. If a certain belief passes the tests of evidence, deduction, and logic, it should be kept. If it doesn’t, the belief should not only be discarded, but the thinker must also then question why he was led to believe the erroneous information in the first place. Not surprisingly, this type of teaching didn’t sit well with the ruling elite of Greece. Many political leaders throughout history have always sought to mislead the thinking of the masses. Socrates was tried for "subversion" and for "corrupting the youth". He was then forced to take his own life by drinking poison. It's never easy being an independent thinker! Today, our ruling government/media complex doesn't kill people for pursuing the truth about the world (at least not yet!) They simply label them as "extremists" or "paranoid", destroying careers and reputations in the process. For many, that's a fate even worse than drinking poison hemlock!

Every news story you are about to review in this research paper is true and easily verifiable. This investigation represents 10 months of careful study, research, analysis, source verification and logical deduction. Every event and quote presented here is 100% accurate. There are about 200 detailed footnotes which I encourage, nay, urge, readers to explore and verify for themselves. The Internet version of this paper will allow users to obtain instant verification for each and every footnote by clicking on the footnotes/links. Others can obtain easy verification by entering the key search words (provided at the end of the paper) into the Yahoo or Google.com search engines. Due to the fact that well organized efforts are under way to suppress these facts, some of these news links are mysteriously disappearing even as we speak. Fortunately, this information has all been transcribed by many websites and has therefore been preserved from the censors. These footnote searches will take you directly to the news sites of many well known established media organizations throughout the world as well as opening up doors to a world of knowledge and information that has been concealed from you. With just a little common sense and a few clicks of a mouse, Google and Yahoo now enable anyone with an ounce of curiosity to become a Sherlock Holmes.

This is no opinion piece. Rather it is a collection of buried, but undeniable facts, events, and quotes which, when assembled in one place, will state their own conclusions. In putting together this research in a logical and sequential format, great care was taken to confirm, double confirm, and triple confirm every piece of information. Any and all questionable data which could not be independently verified to this author’s satisfaction was discarded.

Taken individually, each story, quote and event may not amount to a full case. But when taken collectively, this mountain of facts should hammer home the truth to even the most skeptical reader. There are of course those who have fallen under the hypnotic spell of the TV talking-heads and "experts" whom they worship as authority figures. Unaccustomed to thinking for themselves, no amount of truth can sway them from their preconceived prejudices. They will even deny that which they see with their own eyes. They are
victims of a psychological affliction known as "the lemming effect". Lemmings are small rodents who have been observed to follow each other as they charge to their deaths into raging rivers or even off of cliffs. Lemminghood is an innate psychological phenomenon, present in most mammals and observable in common people as well the most sophisticated and educated elites. Lemminghood is not an intellectual phenomenon - it is psychological. As such, no socio-economic class is immune to its strangulating effect. A grant-seeking university scientist can be a lemming just as much as a fashion obsessed teen-age girl. One blindly follows the latest trendy theory while the other follows the latest clothing style. What's the difference? Neither can resist the force of nature.

The power to fit in with one's social peers can be irresistible. To a human lemming, the logic behind an opinion doesn't count as much as the power and popularity behind an opinion. Man, like lemming, behaves collectively. And it could be no other way. Naturally, the individual must be equipped with this trait. Otherwise, the smallest steps toward civilization could never have been made. Lemminghood is a survival trait, an inborn instinct in the majority of people. However, as with all natural phenomena, this tendency can be manipulated and used for harmful purposes. It is this lemming effect which enables entire segments of a society to lose their sense of judgment all at the same time.

This research paper will likely be wasted on many lemmings. For lemmings, denial is a basic psychological defense mechanism used to not only shield themselves from unpleasant realities, but also to reassure themselves that they will still fit within the acceptable range of opinion held by their peer group. Lemmings are absolutely terrified at the thought of being labeled as an "extremist" or a "conspiracy theorist". At all costs, their beliefs must always be on the "right" side of the issue and conform within the boundaries of their lemming peers. Lemmings simply cannot bear the burden of responsibility, or the social discomfort, which comes with thinking independently. They will resist any efforts to change their misguided beliefs with all their mental energy. We can try to open their closed minds and free them from their self-imposed blindness, but it's not easy fighting the force of human nature. The chains of ideological conformity have too strong of a grip, and breaking them is a difficult task. With the limited resources at our disposal, it is next to impossible to compete with the media lemming-masters. The lie of the emperor is always believed before the truth of the peasant. Nevertheless, some of us must make the meager attempt, and thus lay the foundation upon which the truth might one day rise again.

There are those few among us who do possess both the courage and intellectual capacity to break free of the shackles of lemminghood and accept the truth when it is presented in a clear and logical sequence. To those open minded and independent thinkers I wish to state clearly and unequivocally. I intend to set forth in this paper an overwhelming body of evidence which should forever destroy the ridiculous notion that some Saudi Arabian caveman and his band of half-trained, nerdy Arab flight school attendees, orchestrated the most sophisticated terror operation in world history. The very idea is utterly laughable. And yet, due to the blithering barrage of bullshit dished out by the government/media complex, millions of "patriotic" Americans have accepted this fantastic fairy tale, this moronic mendacity, this silly superstition, this dangerous delusion, with a religious conviction bordering on insanity. As an admittedly useless public service to my helplessly misinformed countrymen of today, and as a gift to a posterity which will hopefully be more enlightened than my bewildered contemporaries, I have published this research so as to liberate as many people as I can from the oppressive yoke of media brainwashing and state sponsored lies. Do you have what it takes to break free from the lemming mob? If so, read on!

LEFT: SOCRATES TAKES THE POSION
LIKE MOST AMERICANS, I WAS GRIPED BY SENSES OF PROFOUN DO SHOCK, HORROR, REVULS I ON, SADNESS, AND RAGE AS I WATCHED THE HORROR OF SEPTEMBER 11, 2001 UNFOLDING LIVE ON MY TELEVISION SCREEN. WATCHING THE MASS MURDER OF THOUSANDS OF INNOCENT PEOPLE LIVE ON TELEVISION WAS THE MOST UPSETTING EXPERIENCE OF MY LIFE. HOW COULD ANY PERSON OF SOUND MORAL CHARACTER NOT BE ENGAGED AT WITNESSING THIS HORRIFIC ACT OF BARBARISM? TO READ ABOUT SOME FARAWAY, LONG-AGO GENOCIDE IN A NEWSPAPER OR A BOOK IS DISTRESSING ENOUGH. BUT TO ACTUALLY WITNESS THE MASS MURDERS OF WHAT WAS, AT FIRST, BELIEVED TO HAVE BEEN TENS OF THOUSANDS OF INNOCENT PEOPLE IS TRULY HEART STOPPING AND TRAUMATIC. I BARLEY SLEPT FOR TWO NIGHTS AFTERWARDS AND SUFFERED NIGHTMARES. POLLING DATA WOULD LATER REVEAL THAT 65% OF AMERICANS ACTUALLY SHED TEARS ON 9-11. (1)

But not all of the eye-witnesses to the 9-11 slaughter were so saddened. On September 11, five Israeli army veterans were arrested by the FBI after several witnesses saw them “dancing”, “high-fiving”, and “celebrating” as they took pictures of the World Trade Center disaster from across the river in New Jersey. Steven Gordon was the lawyer who volunteered to represent the five Israelis. He was asked by a Hebrew newspaper why the five men were being detained by the FBI. Here’s what Gordon told Yediot America:

"On the day of the disaster, three of the five boys went up on the roof of the building where the company office is located," said Gordon. "I'm not sure if they saw the twin towers collapse, but, in any event, they photographed the ruins right afterwards. One of the neighbors who saw them called the police and claimed they were posing, dancing and laughing, against the background of the burning towers….

"Anyhow, the three left the roof, took an Urban truck, and drove to a parking lot, located about a five-minute drive from the offices. They parked, stood on the roof of the truck to get a better view of the destroyed towers and took photographs. A woman who was in the building above the lot testified that she saw them smiling and exchanging high-fives. She and another neighbor called the police and reported on Middle-Eastern looking people dancing on the truck. They copied and reported the license plates. (2 A)

The Ha’aretz new service of Israel reported:

“The Foreign Ministry said it had been informed by the consulate in New York that the FBI had arrested the five for “puzzling behavior.” They are said to have had been caught videotaping the disaster and shouting in what was interpreted as cries of joy and mockery.” (2 B) (emphasis added)
Ha’aretz went on to describe how the FBI field agents then subjected the five Israelis to days of brutal interrogation, torture, and solitary confinement.

When their photos were developed, it was revealed that the dancing Israelis were smiling in the foreground of the New York massacre. According to ABC’s 20/20 attempted whitewash of the incident, in addition to their outrageous and highly suspicious behavior, the five also had in their possession the following items; box-cutters, European passports, and $4700 cash hidden in a sock.

Why were these Israeli agents so happy about the horrible massacre that was unfolding right before their very eyes? What evil spirit could possess people who are supposed to be America’s "allies", and who receive billions of dollars in financial and military aid from US taxpayers each year, to publicly rejoice as innocent people (including many American jews) were burning to death and jumping out of 110 story buildings? Could it be that these happy Israeli army veterans were in some way linked to this monstrous attack? That’s what officials close to the investigation initially told The Bergen Record newspaper of New Jersey.

As incredible, as ridiculous, and as "paranoid" as that belief may appear to you at this point, the fact is that certain elements within the Israeli government, and International Zionist movement in general, have a long history of attacking the USA and framing Arabs in order to gain support from the US. Before we begin to piece together what really transpired on 9-11, it is absolutely critical that we first review some historical precedents regarding Israel's and International Zionism's treacherous history of manipulating America (and other nations) for their own selfish purposes. Without a basic understanding of this history, it would be impossible to understand the truth as it is today. So put aside your preconceived notions, your psychological defense mechanisms, and your prejudices, and step into my time machine for a journey down the memory hole.

ZIONISM AND WORLD WAR I

In the latter part of the 1800’s, there arose in Europe a political movement known as "Zionism". Zionism in particular referred to the effort among certain jews to establish a jewish nation in the land of Palestine. Today, the term Zionism is more commonly applied to those jews who want to expand the borders of what was already established, at the expense of the Palestinians who once owned the land. In a more general sense, the term "Zionist" is also used to describe a certain element within the jewish community (not all of them!), who believe in Jewish Supremacy, thus putting their own interests ahead of those of any nation in which they reside. It is a mistake to assume that all jews are supporters of the “Zionist Mafia” or Jewish Supremacy. In fact, some of the strongest condemnations of Zionism and Jewish Supremacy comes from jews themselves!
There exists an enormous collection of hard-hitting anti-Zionist writings compiled by such notable Jewish authors, historians, and journalists as John Sack, Alfred Lilienthal, Noam Chomsky, Israel Shahak, Benjamin Freedman, Jack Bernstein, Henry Makow, and Victor Ostovsky just to name a few.

There is even a Jewish religious group called “Neturei Karta, Jews United Against Zionism.” For their brave efforts, these men have had to tolerate vicious abuse from Zionist smear groups like the Anti Defamation League (ADL) - an organization which actually specializes in slander, defamation, and spying for Israel! Author Jack Bernstein described the abusive ADL smear process and challenged his fellow Jews as follows:

“I am well aware of the tactics YOU, my Zionist brethren, use to quiet anyone who attempts to expose any of your subversive acts. If the person is a gentile, you cry, "you’re anti-Semite," which is nothing more than a smokescreen to hide your actions. But if a Jew is the person doing the exposing, you resort to other tactics:

- First, you ignore the charges, hoping the information will not be given widespread distribution.
- If the information starts reaching too many people, you ridicule the information and the person giving the information.
- If that doesn't work, your next step is character assassination. If the author or speaker hasn't been involved in sufficient scandal, you are adept at fabricating a scandal against the person or persons.
- If none of these are effective, you are known to resort to physical attacks.

But NEVER do you try to prove the information wrong. So, before you commence efforts to silence me, I offer this challenge: You Zionists assemble a number of Zionist Jews and witnesses to support your position; and I will assemble a like number of anti-Zionist, pro-American Jews and witnesses.

Then, the Zionists and anti-Zionists will state their positions and debate the material in this book as well as related material -- and the debate WILL BE HELD ON PUBLIC TELEVISION. Let’s explore the information both sides can present and let the American people decide for themselves if the information is true or false. ISN'T THAT A FAIR CHALLENGE? Certainly, you will willingly accept the challenge if what I have written is false. But if you resort to crying "Lies, all lies" and refuse to debate, you will, in effect, be telling the American people that what I have written here are the true facts.”

Needless to say, Bernstein’s challenge was never accepted. So let us put to rest now and forever the slanderous lie, and strategic Zionist propaganda ploy, that labels anyone who dares to call attention to the dangers of the Zionist Mafia is an “anti-semite”, a “hatemonger”, or a “skin-head”.

Now the Zionists of the late 1800’s faced one small problem with their bold takeover scheme of Arab Palestine. Palestine was under the sovereignty of the Ottoman Turkish Empire and the Arabs certainly weren’t about to just give away prime real estate in Palestine to the Zionists of Europe. There were very few Jews even living in Palestine and the Jews had not controlled Palestine since the days of the Roman
Empire. This destroys the commonly believed myth that the Arabs and the Jews "have been fighting over that land for centuries". The handful of Arab Jews who lived in Palestine got along well with their Muslim hosts and never expressed any desire whatsoever to overthrow the Ottoman rulers and set up a nation called Israel. The movement to strip Palestine away from the Ottoman Empire came strictly from European Zionists who had become very influential within several European nations.

As fate (or perhaps design) would have it, a great opportunity would soon present itself to the Zionist Mafia. There came in 1914 "The Great War" pitting the three powers of Germany, Austria-Hungary, and the Ottoman Turkish Empire against the three powers of England, France, and Russia. In the interests of staying on the subject of 9-11 and today's "War on Terrorism", we won't get into all of the underlying causes or the historical flow of World War I. What we need to understand is that the Zionists played an important role in dragging the USA into that bloody European war - a war in which the US had no vital interests at stake whatsoever.

Here was the situation. By 1916, the Germans, Austrians, and Ottoman Turks had seemingly won the war. Russia was in turmoil and about to be swallowed up by communist revolution. France had suffered horrible losses, and Britain was under a German U-boat blockade. Germany made an offer to Britain to end the war under conditions favorable to Britain. But the British, and the international Zionists, had one more card to play!

The British government and the Zionist leaders struck a dirty deal. The Zionists were led by Chaim Weizmann, the man who one day become the first President of the State of Israel. The idea was for the Zionists to use their influence to drag the mighty USA into the war on Britain's side, so that Germany and its Ottoman allies could be crushed. In exchange for helping to bring the USA into the war, the British would reward the Zionists by taking over Palestine from the conquered Ottomans after the war was over. The British had originally wanted to give the Zionists a Jewish homeland in an African territory. But the Zionists were fixated on claiming Palestine as their land. Once under British control, the Jews of Europe would be allowed to immigrate to Palestine in great numbers.

Zionists powerbrokers such as Bernard Baruch, Louis Brandeis, Paul Warburg, Jacob Schiff, and many others immediately went to work to put the screws to President Woodrow Wilson. The Zionist influenced press, quickly transformed the German Kaiser and his people into bloodthirsty "Huns", determined to destroy civilization. In 1916, the US, with the help of the Lusitania "incident", entered the war on Britain's side under the ridiculous pretext of "making the world safe for democracy". Overnight, a slick propaganda campaign transformed the Germans into bloodthirsty "Huns" bent on destroying western civilization. "Beat Back the Hun" declared Fred Strothman's famous propaganda poster, - a slogan which became a rallying cry of "patriotic" Americans.

Meanwhile in Germany - where Zionists also wielded tremendous influence in the press and industry-enthusiasm for the war was suddenly watered down by Zionist run newspapers. Wartime labor-strikes in German weapons factories were organized by Zionist and Marxist union leaders. With the German branch of the International Zionist Mafia undermining Germany from within, and the English and American branches of the Zionist mafia pushing America to join the war, it wasn't long before the German, Austrian, and Ottoman Empires were defeated and their maps rewritten by the victorious powers at the infamous Treaty of Versailles in 1918. In addition to the numerous Zionist bankers who were influencing Versailles, the Zionists also had their own delegation which was headed by Chaim Weizmann.

Great Britain issued the Balfour Declaration in November 1917, one year before Germany surrendered. But it had actually been prepared 20 months earlier in March 1916 with Weizmann's influence (13) The Declaration allowed mass Jewish immigration to conquered Palestine while promising to preserve Arab
rights. The Arabs living in Palestine weren't buying these promises. They protested, but there was nothing that they could do to stop the coming wave of Jewish immigration. This was the first step in creating what was to later become the state of Israel 20 years later.

Years after the war, an American Zionist millionaire named Benjamin Freedman broke ranks with his fellow Zionists and turned against them. Freedman was the principal owner of the Woodbury Soap Company and was one of the many Zionists present at the Treaty of Versailles. Freedman was very well connected and had enjoyed access to several US presidents. Freedman grew disgusted with the criminal behavior of the Zionist mafia and dedicated much of his life and fortune to exposing the truth about both World Wars and the Zionist grip on America. According to Freedman, Wilson had been blackmailed by Zionists with the threat of a public disclosure of an old extramarital affair Wilson had when he was president of Princeton University. (14) Freedman's voluminous (and buried) writings, speeches, and books on this subject are essential reading (if you can find them!). One leader of the Anti Defamation League - Arnold Forster- once smeared Freedman as a "self-hating Jew." (15 A) Here's a brief excerpt from a 1961 speech that Freedman gave before an audience at the Willard Hotel in Washington DC in which described the forces at work behind America's entry into World War I:

"The Zionists in Germany, who represented the Zionists from Eastern Europe, went to the British War Cabinet and — I am going to be brief because it's a long story, but I have all the documents to prove any statement that I make — they said: "Look here. You can yet win this war. You don't have to give up. You don't have to accept the negotiated peace offered to you now by Germany. You can win this war if the United States will come in as your ally." The United States was not in the war at that time. We were fresh; we were young; we were rich; we were powerful. They told England: "We will guarantee to bring the United States into the war as your ally, to fight with you on your side, if you will promise us Palestine after you win the war." In other words, they made this deal: "We will get the United States into this war as your ally. The price you must pay is Palestine after you have won the war and defeated Germany, Austria-Hungary, and Turkey."

Now England had as much right to promise Palestine to anybody, as the United States would have to promise Japan to Ireland for any reason whatsoever. It's absolutely absurd that Great Britain, that never had any connection or any interest or any right in what is known as Palestine should offer it as coin of the realm to pay the Zionists for bringing the United States into the war. However, they did make that promise, in October of 1916. And shortly after that -- I don't know how many here remember it - - the United States, which was almost totally pro-German, entered the war as Britain's ally." (15 B)

We may debate as to exactly what extent this Zionist-British dirty deal was responsible for dragging the sons of America off to die in a European bloodbath. Some, such as Freedman, believe it was the only reason that the US entered the war. Others, such as this writer, believe it was the primary contributing factor. But let us at this point agree on this one irrefutable point: the Zionists had no aversion to seeing Americans die for their own selfish interests. Even the Encyclopedia Britannica and Microsoft Encarta Encyclopedia (look under "Balfour Declaration) confirm this little known fact of World War I. Here's the excerpt from Microsoft Encarta:

THE BALFOUR DECLARATION. "The Balfour Declaration was a letter prepared in March 1916 and issued in November 1917, during World War I, by the British statesman Arthur
James Balfour, then foreign secretary....Specifically, the letter expressed the British government's approval of Zionism with “the establishment in Palestine of a national home for the Jewish people.” The letter committed the British government to making the “best endeavors to facilitate the achievement of this object, it being clearly understood that nothing shall be done to prejudice the rights of existing non-Jewish communities in Palestine.”

"The immediate purpose was to win for the Allied cause in World War I the support of Jews in the warring nations and in the United States. As a result of the Balfour Declaration, Israel was established as an independent state in 1948 in the mandated area.” (16)

It's also worth mentioning at this point that when the British dismantled the Ottoman Empire after World War I, they created many smaller nations. The oil rich, puppet kingdom of Kuwait was formed by slicing off the southern coastal tip of what we now know as the nation of Iraq. As a result of this arbitrary redrawing of the Ottoman map, a bitter conflict was created between Iraq and Kuwait. Iraq has always considered Kuwait as its true southern province. This is what ultimately led to Iraq’s invasion of Kuwait in 1991 and the Gulf War.

SCARE TACTICS 1917:

“THE HUNS ARE COMING!”

“THE HUNS ARE COMING!”

SCARE TACTICS 2001:
Zionism and World War II

Let us fast forward our time machine to the early 1930's. Again, there is no need for a detailed analysis and debate of the causes and major events of World War II. The purpose here is to again illustrate yet another case of selfish Zionist agitation for American entry into a war.

The German people were bitterly resentful of not only the Zionist role in bringing about their defeat in World War I, but also over the brutal monetary reparations which had been imposed upon them by certain Zionist bankers who helped craft the brutal Treaty of Versailles after the war. Stripped of formerly German territory, and with the German economy in ruins, the people of Germany elected Adolf Hitler as their Chancellor. Hitler and the Nazi party soon seized control of the German media, banks, and universities away from the influential Zionists who had reigned supreme in those institutions.

Almost immediately, Zionists all over the world began to agitate for action against Germany. Boycotts of German imports were imposed and calls for the UK and USA to take immediate action against Germany began to emanate from Zionist circles. On March 24, 1933, The Daily Express of England carried the bold headline; “Judea Declares War on Germany. Jews of All the World Unite in Action”. The front page story revealed that the Zionists had announced a concerted worldwide effort to isolate Germany and turn other nations against her.

The following year, Zionist political leader Vladimir Jabotinksy wrote:

“"The fight against Germany has now been waged for months by every Jewish community, on every continent...We shall start a spiritual and material war of the world against Germany. Our Jewish interests call for the complete destruction of Germany" (18)

A few years later, Lord Beaverbrook, a British newspaper magnate issued this warning about the Zionist influence over the British press. Beaverbrook warned: 

"There are 20,000 German Jews who have come here to England. They all work against an
agreement with Germany. **The Jews have got a big position in the press here. Their political influence is driving us into the direction of war.**” (19)

In September of 1939, Germany and Poland went to war over disputed territory that was taken away from Germany by the Versailles Treaty of 1918. Under the phony pretext of protecting Poland, Great Britain and France immediately declared war on Germany (*conveniently ignoring the fact that the Soviet Union had invaded Poland too*). Germany pleaded with Britain and France (the Allies) to withdraw their war declarations but to no avail. The Allies continued their massive military buildup along Germany’s western frontiers. In the spring of 1940, the war in the West began when Germany launched pre-emptive invasions of Norway, Holland, and Belgium, pinning the British and French forces on the beaches of Belgium. Beaverbrook’s prediction was realized.

In the United States, the Zionist Mafia again went to work on a US president. The names of the players had changed but the game was still the same. Baruch was still pulling presidential strings along with other Zionist “advisors” like Henry Morgenthau and Harold Ickes. It was Franklin Delano Roosevelt’s turn to deliver the US into another European war. Patriotic Americans such as famed aviator Charles Lindbergh saw this and tried to warn the American people that Zionist media influence was intending to drive us into another World War. Said Lindbergh:

“I am not attacking the Jewish people. But I am saying that the leaders of both the British and the Jewish races, for reasons which are as understandable from their viewpoint as they are *inadvisable* from ours, for reasons which are not American, wish to involve us in the war. “ (20)

Because of strong public anti-war sentiment, FDR and his Zionist handlers had a very difficult time dragging the US into the European war. Then another “incident” occurred at Pearl Harbor in 1941. Japan and Germany were bound to a mutual defense agreement, which meant that war with Japan would automatically mean war with Germany. FDR embargoed Japan’s oil supply in the hopes of forcing Japan to attack Pearl Harbor. Overwhelming evidence from government documents clearly shows that FDR had advance knowledge of the Japanese attack and allowed it to happen so that he could drag the US into World War II. (21)

As was the case in World War I, US entry the war led to another crushing defeat of Germany. Hours before committing suicide on April 30, 1945, Adolf Hitler dictated his last will and political testament. In it he placed responsibility for World War II on the Zionist Mafia - or, as he called it - "**International Jewry and its henchmen**". It’s certainly no surprise that Hitler would make such a claim. However, his final accusation of the Zionists does parallel the statements made by Jabotinsky, Lindbergh, Beaverbrook, Prime Minister Neville Chamberlain, Ambassador Joe Kennedy, and many others. In the final public communication of his life, Hitler wrote:

"*It is untrue that I or anyone else in Germany wanted war in 1939. It was wanted and provoked solely by international statesmen either of Jewish Origin or working for Jewish interests...Nor had I ever wished that after the appalling first World War, there would ever be..."
Regardless of your view of World War II and whether or not the USA belonged in the fight, the essential point which cannot be refuted is again this: years before World War II had even started, the Zionists had yet again demonstrated that they had no aversion to sending Americans to die for their own interests.
